Welcome to Daisy Chain Scrapbooks online, we hope you will enjoy browsing our website and choosing from the many and varied items on our site. Daisy Chain Scrapbooks was commenced in October 2002 as a mobile business and has evolved to being a large shop in **Nambour** as well as an online store.

At the Nambour shop we hold classes and workshops for scrapbookers and cardmakers as well as running Retreats, Charity days and a weekly Crop night every Friday night from 6pm til late. With a huge 350 square metres of air conditioned shop and workshop space you'll want to stay for more than just a quick visit! We've also incorporated a coffee area and large kiddie corral into our shop space complete with a DVD and video too keep children and husbands happy while you browse.

If you can't make it into the shop, you can always shop online - and please feel free to email or phone if there are items you need that you can't find on our site - as we stock so much more than we're able to show on our website. We at Daisy's believe the essence of this wonderful craft is **having fun and enjoying oneself**.
